

idTarget_FirstThinkActivate

An entity that will execute on map load.

Usage

```
entity {
    entityDef first_think_activate_1 {
        class = "idTarget_FirstThinkActivate";
        expandInheritance = false;
        poolCount = 0;
        poolGranularity = 2;
        networkReplicated = true;
        disableAIPooling = false;
        edit = {
            flags = {
                noFlood = true;
            }
            spawnPosition = { // spawn position is not important
                x = 1;
                y = 1;
                z = 1;
            }
            targets = { // triggers these entities on first map load
                num = 1;
                item[ 0 ] = "sample_relay_1";
            }
        }
    }
}
```
