String File Extensions

> These are the string file types you will be interacting with.

.blang

String files that **CANNOT** be read by a raw text editor.
BLANG files **CAN** be re-injected into DOOM Eternal.
Example:
`english.blang`

.json

Extracted string files that **CAN** be read by a raw text editor.
JSON files **CANNOT** be re-injected into DOOM Eternal.
Example:
`english.json`
