

Requesting "Editor" Access

Please send a message to SamPT#9513 on Discord to have an account made for you. For now, all editor accounts need to be manually approved by a site administrator.

We encourage anyone with knowledge about modding Doom Eternal or Doom 2016 to contribute to the wiki by becoming a content editor.

It is recommended that you read the [Rules for Wiki Editors](#) and [Quality Guidelines](#) if you haven't already.
